MEMORANDUM

TO: UCRFS Users and Payroll Personnel System Users
FROM: Matthew Hull, Associate Vice Chancellor
Resource Planning and Budget
DATE: July 9, 2013
RE: Fiscal Year 2013-14 WORKERS COMPENSATION ASSESSMENT RATES

The following assessment rates have been established to fund the Workers Compensation (WC) Insurance Program for the General Campus effective July 1, 2013:

	Common	Incident / Claim Fee
All Funds	\$0.65	\$5,000*

* Potential rebates of up to \$1,500 are available; please contact HR for additional information.

Workers Compensation

The payroll rate increase is relative to the increase in the campus's premium for fiscal year 2013-14 and the incident/claim fee assessment will remain the same as the previous year. Please contact Human Resources for further details on what constitutes a qualifying claim, the grounds for a rebate, and any general questions regarding the administration of the incident/claim fee process.

Charges will be reflected in account number 400160 for Academic employees and 600150 for non-Academic employees in the same Activity-Fund-Function combination in which payroll activity occurred. These charges may not be moved to a different Activity-Fund-Function.

Please note that actual charges are calculated by applying the applicable assessment rate against salaries and wages payable associated with all DOS codes except the following:

- Vacation Related (VLA, VAC, VLT, TRM, PTO, PTT)
- Sick Leave Related (SLA, SKL)
- Comp Time Related (CTA, CTO)
- Staff Recognition and Development (SRD)

If you have any questions on the development of the assessment, please contact Jerry Garcia at extension 25615 or by e-mail at jerry.garcia@ucr.edu.
